Company Profile

GALERIA ALASKA PRODUCTIONS (based in Hamburg & Berlin) has been developing, producing and distributing feature documentaries and fiction films for independent cinema and television since 1994.

Another production field is prime time documentaries (up to 1 hr. length).

Many of GALERIA ALASKA PRODUCTIONS independent projects have been produced outside of Germany, mainly North- and South America and Asia. Our productions have been invited to more than 100 international festivals, where they have been critically acclaimed and have been sold to various countries.

In 1990 GALERIA ALASKA PRODUCTIONS opened an affiliate company in Stuttgart (Baden-Wuerttemberg). We maintain offices in Los Angeles and Berlin.
